OFFICIAL

DECLARATION UNDER RULE 37 CFR §1.132

As below a named inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled:

BUMP MANUFACTURING METHOD

I hereby declare that any invention disclosed but not claimed in the reference, patent application (US 2003/0099767 A1) relied on in the 102(e) rejection against claims 28-33, 35 and 36, was derived from the inventor of this application, and is thus not the invention "by another".

* * * *

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful, false statements may jeopardize the validity of the application or any patent issued thereon.
